# INTRODUCTION

**M/S. J.M.T. Dwelling & Electrical Pvt. Ltd. is a leading contractor in the field of Electrical & Instrumentation in India. We incorporate new technology & deliver value through innovation & skills. We benchmark our best practices, pay attention to lessons learned and constantly challenge ourselves to do better. From material & construction methods to management techniques and information systems, we always seek new and better ways to help our customers achieve their goals.**

**Developing world-class capabilities for today's toughest engineering and logistical challenges. Sophisticated tools & Process for precise planning, tracking & control. A passion for construction that has fuelled our success.**

**Concern for safety and having the best resources available for the professional completion of our project is paramount in the management's oversight of the company progress. We believe in safety. Our human resources department plays a major role in obtaining the best-qualified employees, training and looking out for their safety by constant evaluation of our field operations and job sites.**

# MISSION STATEMENT

To continue building & developing a long term diversified, safety conscious construction contractor, that provides quality product with pride, improves & challenges its employees & contribute to community & environment by incorporate in new technology.

## VISION

To be a global leader in engineering and contracting services, known for transformative projects, cutting-edge technology, and a steadfast commitment to sustainability and customer satisfaction. We aim to shape the future of infrastructure and construction with innovative solutions that positively impact communities and the environment.

# TECHNICAL STATUS

## ■ Actual Nature of Work Executed

---

Electrical works like cable laying, termination, grid installation, panel Installation and instrumentation works.

## ■ Present Job Status

---

E&I Work In JSPL Orrisa.

Electrical work at IOCL Panipat, Haryana

## ■ Area of Speciality

---

We can undertake any work challenge under a type of adverse situation jobs etc., having our own plant & machines to undertake all types of Instrumentation & Electrical works.

# AREA OF OPERATION

**Our Major Areas of Operation are:**

- **Electrical Works**
- **Instrument Calibration**
- **Civil Construction Works**
- **Cable Laying & Termination**
- **Labour Supplier**

# OUR SERVICES

## Electrical Works

- Electrical and instrumentation (E&I) work is a critical aspect of various industries, ensuring the safe and efficient operation of electrical systems, automation processes, and control systems. It combines electrical engineering principles with instrumentation expertise to install, maintain, and troubleshoot systems that monitor and control industrial operations.
- Laying & Termination of cables.
- Grid installations.
- Laying & termination of controls & instrumentation cables.

# OUR SERVICES

## **Boiler, Turbine & Generator**

---

- Erection & Commissioning of any capacity boiler.
- Erection & Commissioning of balance of plant.
- Erection & Commissioning of turbine & Generator set along with all accessories.

# OUR SERVICES

## Misc. Activities

---

- Fabrication of Technological structure including machine body frames & its parts.
- Supply of skilled & un-skilled, Technical & Non- Technical manpower.
- Yearly rate contract for maintenance & operation of various plants.
- Capital Repairs of Hydro & Thermal Power Stations including Headers, Gates & other related parts.
- Capital Repairs of Refineries, Chemical Plants, etc.
- All type of Civil work including height structures.
- Gantry formation.
- Heavy Engineering.
- Township formation.

# LIST OF THE JOBS EXECUTED

## Prestigious Contracts Executed by J.M.T. Dwelling

Year	Description	Value of Job	Status
2022	Electrical& Instrument Works in JSPL, Orrisa-HSM Plant	12,00,00,000.00	Running
2024	Installation, Testing, Pre-Commissioning & Commissioning of Electrical Works RHC Unit, Panipat.	5,55,09,185.00	Running
2023	Electrical& Instrument Works in JSPL, Orrisa-CRM Plant	98100000.00	Running
2024	Electrical& Instrument Works in JSPL, Orrisa BF Area	11,00,00,000	Running

# LIST OF MAJOR TOOLS AND TACKLES

## Contractor Resources

S. No.	Description	Quantity
1	Air Cooled 400 Amps. Welding Rectifiers	05 Nos

11	IBR WELDER	05
12	GRINDING MAN	24
13	GAS CUTTER	16
14	RIGGER	16
15	KHALASI	75
16	STORE KEEPER	15
17	STORE INCHARGE	08
18	HELPER	350
19	CABLE PULLER	250

# QUALITY POLICY

## J.M.T Dwelling& Electrical Pvt. Ltd.

We are committed to delivering exceptional quality in all aspects of our dwelling and electrical services. Our dedication to excellence ensures customer satisfaction, compliance with industry standards, and continuous improvement in every project we undertake.

### Our Commitment

**Customer-Centered Approach:** We strive to understand and exceed our customers' expectations by delivering safe, reliable, and efficient electrical solutions tailored to their needs.

**High Standards of Workmanship:** All projects are executed with precision and professionalism, adhering to the latest safety regulations, codes, and best practices in the dwelling and electrical industry.

**Quality Materials and Equipment:** We source premium materials and utilize state-of-the-art tools and technologies to ensure durability, efficiency, and superior performance in our installations and repairs.

**Safety and Compliance:** Safety is a non-negotiable priority. We rigorously follow all applicable safety standards and environmental regulations to protect our clients, employees, and the community.

**Continuous Improvement:** By fostering a culture of learning and innovation, we regularly review and improve our processes, training programs, and customer feedback mechanisms to enhance our quality and service delivery.

# HEALTH SAFETY & ENVIRONMENTAL POLICY

We are committed to creating a safe, healthy, and environmentally responsible workplace. Our Health, Safety, and Environmental (HSE) Policy serves as the cornerstone of our operations, ensuring the well-being of our employees, clients, and the communities we serve while minimizing our impact on the environment.

## Health & Safety

- Prioritize the health, safety, and well-being of all employees, contractors, and stakeholders.
- Proactively identify, assess, and mitigate workplace hazards to prevent injuries, illnesses, and incidents.
- Ensure that all employees receive adequate training and resources to perform their tasks safely.
- Foster a culture of safety accountability at all levels of the organization.

## Environmental Responsibility

- Minimize environmental impact by implementing sustainable practices in all aspects of our operations.
- Comply with all applicable environmental laws, regulations, and industry standards.
- Promote waste reduction, energy efficiency, and the use of environmentally friendly materials and technologies.

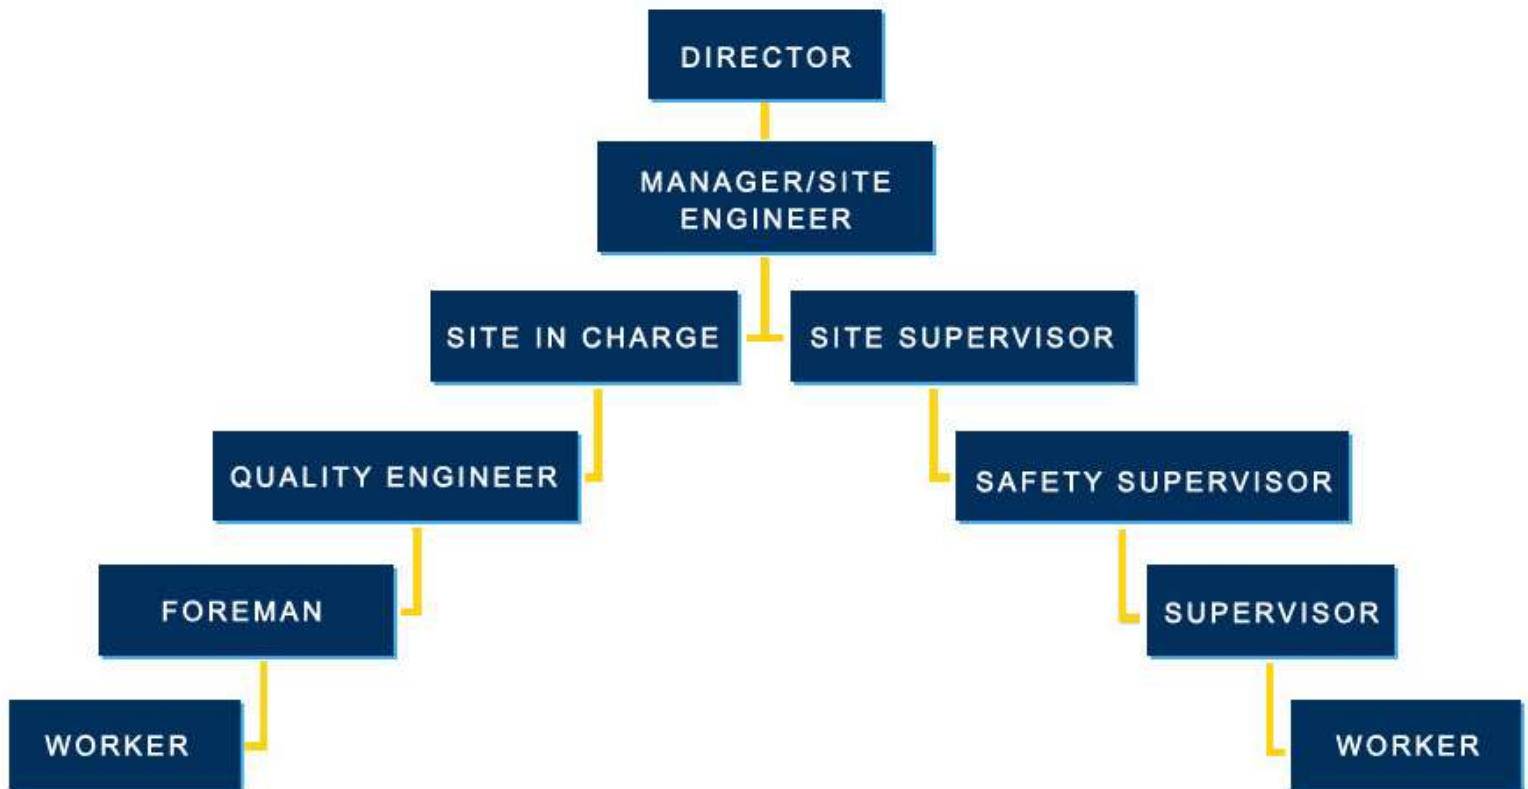

# HSE OBJECTIVE & TARGET

- 100% of worker will be covered under plant specific hazard training.
- 100% of supervisor will be covered under one-day safety workshop Training.
- Minimum 3 No's supervisor will be trained for fire watch & firstaid training.
- 100% of worker will be covered under ½ day contractor worker training.
- Zero accident.
- Zero injury. (FAC, MTC)
- Zero lost man days.
- 100% awareness on HSE by all workers & employees.
- 100% Medical fitness for all Supervisor & Workers.
